ARCHITECTURE

A complete agricultural stone complex of the 19th century, with its intat “aloni”, was renovated with great respect and amplified with three new stone buildings which thoughtfully blend with the surrounding landscape, to form a contemporary high quality hotel for the discerning traveler.

ACCOMODATION

Five independent, fully equipped residences –four one-bedroom suites and one two-bedroom villa-, each totally unique in its layout, design and character, compose a sophisticated setting of carefully crafted luxury and modern comfort.

All areas are decorated, among others, with rare antiques and *objets d’ art*, in a context that retains the distinctiveness of the authentic.

The private verandahs or courtyards, furnished with comfortable designer teak, offer privacy and unobstructed views of Hora, the Monastery of Panaghia and the Aegean.

LOUNGE BAR “ARAPI”
